

## STUDENTS WITH DISABILITIES

IntelliTec Colleges is committed to providing equal access to its academic and social activities to all qualified students. The College will ensure that its policies, practices and procedures conform to Federal and state statutes and regulations as mandated under Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, as amended, which established the rights of individuals with disabilities.

The Americans With Disabilities Act (ADA) defines a person with a disability as any individual who (1) has a physical or mental impairment that substantially limits one or more major life activities; (2) has a record of such an impairment; and (3) is perceived by others as having such an impairment. IntelliTec College is fully committed to providing appropriate auxiliary aids and services to qualified individuals with a disability, unless providing such auxiliary aids and services would result in an undue hardship or fundamentally alter the nature of the relevant program, benefit, or service provided by the College. To request an auxiliary aid or service, please contact the Program Supervisor or Director of Education.

Individuals requesting an auxiliary aid or service will need to complete a Request for Accommodation form and provide appropriate documentation as needed. Accommodation requests may take time to evaluate and implement if approved; please allow sufficient time for review.

Disagreements regarding an appropriate auxiliary aid and alleged violations of this policy may be raised pursuant to the College's grievance procedures.
