

IntelliTec College, Albuquerque Campus

Placement and Graduation rates are calculated by the institution for the annual report 2017 (July 1, 2016 to June 30, 2017) as required by the Accrediting Commission of Career Schools and Colleges (ACCSC).

The rates reported by the campus track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog.

1. Automotive Technician Program: AOS

This program does not have a calculated graduation or placement rate because it has not been offered for the required length of time to calculate these rates.
